Data Protection

When will we delete this data?

We may keep information for different periods of time for different purposes as required by law or best practice.

As far as membership information is concerned, to make sure of continuity (for example leavers and then re-joiners) and to carry out our legal responsibilities relating to safeguarding young people, we keep membership information throughout the membership and after it ends.

Who has access to this data and who do we share it with?

Only those members who need membership information to carry out their role have access to that information.

We may share membership data with other local scouting groups where this activity is required to deliver the scouting group obligations, such as stand in leaders. We may also share data within The Scout Association. We do not store credit card details, nor do we share data with third parties without permission.

Where will the data be stored?

This data is securely stored in the online membership system Online Scout Manager. Temporary electronic documents and paper records are stored securely by appropriate Scout Leaders. We take data security seriously.

What are your rights to your Personal Data

As a Data Subject you have rights over your own data that you can exercise at any time, these are:

- Data is accurate – we must keep your data accurate
- Data is erased – we must erase data if not needed or requested by you, that is not excessive and is possible
- Data is portable – we must provide a copy of your data back to you
- Data processing is limited – we must cease a processing activity if you object to it
